Daily Quality Assurance Process: ATP Self QC

Initially, ATP Point of Contacts (POCs) are the only individuals who have access to the QC folders. POCs may disperse folder access to other branch managers, as needed.

- If a POC changes, ATPs must notify the Certification Desk at certificationdesk@azdot.gov
- If notification is not received, you will not be able to open your folder

The MAX report will be added on a daily basis. ATPs will need to monitor their 3rd Party Self QC Google spreadsheet and quality check their work daily.

If a finding(s) 'notated item' are found, ATPs will have seven days to correct it.

- If not corrected, it will be added to the Compliance Inspection Report as a notated finding upon the pre-inspection process
