Case Management

UNDER CONSTRUCTION

ATP Management and Case Management (Manage Case) is still a work in progress, as well as the topics provided to you in this folder.

Please be patient as we continuously improve the content.

Case Management is another part of MAX that will affect ATP Management. ATPs will use the Manage Case service to open a case when a new ATP location is requested, to relocate a location, add employees, or etc.

Overall New Branch Application Process

- ATP creates New Case for Branch Application
- Submits required documentation
- TPA will review the application
 - They will provide any Notes or Correspondence using the Manage Case service throughout the entire process, as applicable

Overall Employee Application Process

- ATP creates New Case for Employee Application
- Employee completes application on AZ MVD Now
- ATP reviews and pays for employee application
- TPA will review the application
 - They will provide any Notes or Correspondence using the Manage Case service throughout the entire process, as applicable

Notifications

As cases are worked by TPA, most notifications about the case will be sent through the [Internal Office Notifications](#) system. Other notifications may still be completed through emails.
