Create Branch Closure Application

This topic will be used when an ATP has plans to close their ATP.

ATPs must provide a 30 day notice prior to the close of the ATP.

Notifications

As cases are worked by TPA, most notifications about the case will be sent through the [Internal Office Notifications](#) system. Other notifications may still be completed through emails.

Required Documentation

The TPA unit will send the ATP all the information regarding closing an ATP, including the following document:

- Third Party Vendor Closure Form

The form will be required, but AFTER the case has been created and then reviewed the TPA unit.
