Customer Documents

In AZ MVD Now, customers have access to all of the same documents that appear in their Customer Record in MAX, including:

- Payment Receipts
- Temporary Registrations
- Temporary Credentials
- Permits
- Placards
- Corrective Action Notices
- Withdrawal Notices
- Court Abstracts
- Credential Issuance Application

Documents that have a Privacy Level set may not be viewable by the customer in AZ MVD Now. See [Privacy Level](#) for more information.

If customers need an additional copy of a document (e.g. permit, registration, temporary plate), they can print the document for free from AZ MVD Now.

If they come into an office to request the document, they will be charged \$4.00 (via Miscellaneous Purchase) for the reprint.

See [Document Management](#) for more information about customer documents.
