Permit Test @ Home

MVD allows teen drivers to take the Permit Test @ Home online from home or from a professional driving school.

- Teenagers must be at least 15 years 6 months and under 18 years old, and must pass the test to obtain their Arizona Instruction Permit
- A score of at least 80 percent is required to pass. Results are immediate
- The examinee has 30 minutes from the time the test is started to complete it
- Upon passing, the examinee will receive an email with instructions on next steps
