

You are here: Title & Registration Services > Vehicle Management > Fleet Expiration Reset

Fleet Expiration Reset

This functionality allows the user to reset the Expiration Date of a Fleet to one year prior so a Fleet Renewal may be restarted.

Example: Customers with large fleets will sometimes wait until after hours (e.g. 9 pm) to begin a Fleet Renewal. Unfortunately, the renewal takes several hours and overlaps when the MAX Cash Drawers are reset at midnight, therefore the renewal does not complete.
