Fund Customer Account

There are multiple ways that a customer's account is funded:

- MVD Registration Credits and other MVD Refunds
- Change due from an MVD Service
- Funding an account in an MVD Office (via Cash, Check, Credit/Debit Card, or Other Payment Methods)
- Funding an account from AZ MVD Now (via Credit/Debit Card or Electronic Payment) - available to Individual customers if a CSR sends the customer an Assisted Self-Service Invitation to fund account, or if the customer has the *Individual Elevated MAX Balance* Characteristic because they have a Fleet account.
- Transfer of funds from another account. See [Transfer Customer Account](#) for more information.
