Miscellaneous Purchase

There are some fees collected that do not have an associated service. When you need to collect fees for these items, you'll use the Miscellaneous Purchase service. Common items that qualify for this are:

- Non-Resident Daily Commuter Registration
- Summons Subpoenas
- Dealer List
- Photocopies
- TSS Applications and Renewals
- Inspections
- Student AQCF Fee
- State Assigned VIN (SNO)*
- Insurance MVR
- Criminal Records Check
- Vehicle Use Tax (DOR and City)
- Etc.

The \$5.00 State Assigned VIN fee* will need to be collected after a service is completed and a State Assigned VIN record was initially created.

*ONLY for homemade vehicles/trailers, this does not include VINs with less than 17 characters using the State Assigned VIN Type.
