Credential Issuance - CDL Scenarios

Beginning June 23, 2025, MVD will no longer accept paper medical examination documentation for **INTERstate** CLP or CDL applicants/holders that were completed on or after June 23, 2025. **INTERstate** documentation **must** be submitted **electronically**.

INTRAsate CLP or CDL applicants/holders **may** submit **paper** documentation through Create Work Task or the customer may email the documentation to MRP (medicalreview@azdot.gov (for customer)).

You cannot waive the Medical Exam Certificate Requirement. You must wait for MRP to enter the details. However, the applicant can still test until the requirement has been satisfied.

Issuing a CDL typically takes at least two trips to MVD for a customer if everything goes as expected. Here's a summary of generally how the flow works.

Visit 1: Apply for a Commercial Learner's Permit (CLP) and Take Knowledge Tests

- Verify eligibility
- Verify medical examination documentation is on file
 - if no medical documentation on file, see the [No Medical Examination Documentation on File Talk Track](#)
- Pay fees for test(s)
- Take applicable knowledge test(s)
- Satisfy Requirements
- Request transfer to CDL Queue

Visit 2: Take CDL Skills/ Road Test and Issue CDL and Applicable Endorsements

- Verify eligibility - Applicant must have held CLP for 14 days before they can be road tested and issued a CDL
- Verify the customer has passed applicable skills/road test(s) by verifying CSTIMS, see upline approver for results
- Update application for CDL issuance
- Pay fees for test(s)
- Request transfer to CDL Queue

If processing a commercial credential and the applicant has issues with the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse (DACH), refer them to [DACH](#).

Alerts ×

Error - Customer Your CDL is prohibited through the Clearinghouse, please contact FMCSA.

Error - Requirements All requirements must be satisfied.
