

You are here: Driver & Event Management > Credential Issuance > Credential Adjustments

Credential Adjustments

Credential adjustments (also referred to as upgrades or downgrades) are credential issuance services where you add or remove credentials or endorsements. For example:

- **Adding:** When a customer who already has a Class D Driver License and wants to upgrade to a Travel ID or add a Class M Motorcycle endorsement.
- **Adding:** When a customer who already has a Class A Commercial Driver License for Passenger Vehicles and wishes to add School Bus.
- **Removing:** When a customer who already has a Class D Driver License and a Class A Commercial Driver License and wishes to downgrade to the Class D Driver License only.
