## Credential Restrictions

Credential restrictions are limits placed upon a customer's driver privileges. Restrictions are triggered by a number of factors, including health issues, age, type of credential, and criminal or civil judgments. There are dozens of restriction possibilities.

### Credential Restriction Examples

- **Age:**
  - Aged 15 1/2 to 16 - restricted to instruction permit
  - Under age 15 1/2 - Farm Waiver - restricted to farm vehicles on farm property
- **Health/Vision:**
  - Restricted to wearing corrective lenses
  - Restricted to daylight only
  - Restricted to wearing a hearing aid
  - Restricted to driving vehicles with mechanical or prosthetic aid
- **Medical:**
  - Restricted to any applicable adaptive equipment
- **Class M-Motorcycle Credential:**
  - Restricted to moped or motorized cycle
  - Restricted to 100cc or less motorcycle
  - Restricted to three wheel cycle
- **Legal:**
  - Restricted to drive to or from employment only

View the [Driver License Operational Restrictions Chart](#) for an all-inclusive list.

View the [Commercial Driver License Restrictions](#) topic for more information on CDL restrictions.

Prior to August 10, 2015, non-CDL Arizona credentials had differently coded restrictions. To conform with AAMVA standards, these restrictions were changed, view the [Restriction Conversion Chart](#) to see the differences.
