

You are here: Driver & Event Management > Credential Issuance > Name Change

Name Change

In order to establish a name other than the name listed on the primary identification document, a customer must first change their name with the Social Security Administration (SSA), which may take up to 48 hours or more to verify through the SSOLV system. The documentation required to establish a customer's name or a name change is the same for a Standard or a Voluntary Travel ID Credential.

When a customer's name changes, the customer shall notify the Division within ten days after the change. A name change may be reported either in-person or in-writing. The Division is required to update the customer record when a notice of name change is received.

The name will be cross-referenced and the new name will be placed on the Customer Record.

To change the customer's full legal name, the customer must present one primary identification document from the [Acceptable Documentation for a Non-Commercial Credentials](#) topic > [Acceptable Primary Documents](#) section.

In order to establish a name other than the name listed on the primary identification document, the customer must also submit a certified copy of one of the following to authorize the name change:

- Marriage License or Domestic Partnership Certificate (used to change last name and the option to change middle name to maiden name); if an electronic marriage certificate is submitted, view the [Electronic Marriage Certificate](#) section for more information
 - Marriage certificates are not required to be recorded with their respective agencies before submitting it for a name change
- Divorce Decree (cannot be used to change first name)
 - It is **not** required that the Divorce Decree states 'restore last name'
- Adoption Decree
- Certificate of Citizenship or Naturalization
- A court order changing the name
- Or two forms of permissible name usages listed below (used to change last name and the option to change middle name to maiden name)
 - Driver License, ID, or Instruction Permit issued by any state or US Territory
 - Social Security Card

- US Military Active Duty/ Dependent ID Card
- US Armed Forces Driver License
- US Department of Veterans Affairs Card
- Medical Insurance ID Card (including AHCCCS)
- Federal Bureau of Prisons Release Identification Card
- Unexpired or Expired U.S. passport

To change a customer's middle name to their maiden name, the customer must provide two forms of permissible name change documents, view [Arizona DL/ID Requirements, form #40-5144](#) for a list of acceptable documents.

▶ **Electronic Marriage Certificate**

When the primary identification document is an I-94, the name shall be obtained from the customer's foreign passport, Visa, or Arizona Refugee Medical Assistance Card.

A customer may also need to supply two forms of any of the following permissible name usage documents to change their last name (these documents cannot be used to change their first name):

- DL, ID, or IP issued by any state or US Territory
- Social Security Card
- US Military Active Duty / Dependent ID Card
- US Armed Forces DL
- US Department of Veterans Affairs Card
- Medical Insurance ID Card (including AHCCCS)
- Federal Bureau of Prisons Release Identification Card
