

You are here: Driver & Event Management > Credential Issuance > Non-Commercial Testing > Hearing Impaired Road Test

Hearing Impaired Road Test

Prior to beginning the road test with a hearing impaired individual:

- Provide the expectations of the entire examination process
- Allow the applicant to ask or write any questions they have to verify they understand the instructions

Tools and Resources

Print the following resources to prepare:

- [Before You Take The Road Test, form #99-0138](#) (expectations):
- Hearing Impaired Road Test Question Flashcards:
 - [Intro to Road Test](#)
 - [Vehicle Inspection](#)
 - [Customer Basic Safety Knowledge](#)
 - [Road Test](#)
- [Hearing Impaired Road Test - Directions](#) flashcards
- [Road Test Talk Track - Examiner](#) (you might want to black out the Applicant Answer in the Road Test Maneuvers sections)
- Road Test Route Map (established by your office)
 - Use your established route maps for non-commercial road tests for this type of test
- Notepad, pen or pencil

If the applicant required additional accommodations, the office manager may contact the Civil Rights for guidance to ensure services are received.

View the [ADA Office Compliance](#) topic > Civil Rights Office Contact Information section.

Basic Overview

- Have the applicant read the 'Before You Take...' (which is a general overview of the test) and confirm they understand the instructions

- Have the applicant move their vehicle to the starting position for the first exercise (Vehicle Inspection and Customer Basic Safety Knowledge)
- Once in position, have the applicant read the instructions for the exercise and perform the task(s)
 - This will be repeated for each of the two required exercises (Vehicle Inspection and Customer Basic Safety Knowledge)
- If the applicant needs any clarification, it would be done by writing notes between applicant and Examiner
