Vision Only Test

The Vision Only Test service is for two purposes:

- For customers who reside outside of Arizona but who need to satisfy a vision screening requirement for their home state while visiting Arizona. Customers will obtain a vision screening in an MVD office (for a fee) and the CSR will provide them a screen print of the results so they can mail it to their home state.
- For Arizona citizens who have a Medical Review requirement to pass a vision screening (outside of a credential service)
