How to Link/Unlink Convictions to Withdrawals

On occasion, incidents and withdrawals will generate and will not be linked to one another. Linking is important to help understand and correctly reflect what incident(s) caused which withdrawal(s).

The incident and withdrawal below should be linked as the 28-1321 is what triggered the First refusal suspension. The lack of the little blue arrow next to the incident indicates there is no linked withdrawal.

1

1. Click on the **Hamburger menu** (three horizontal lines).

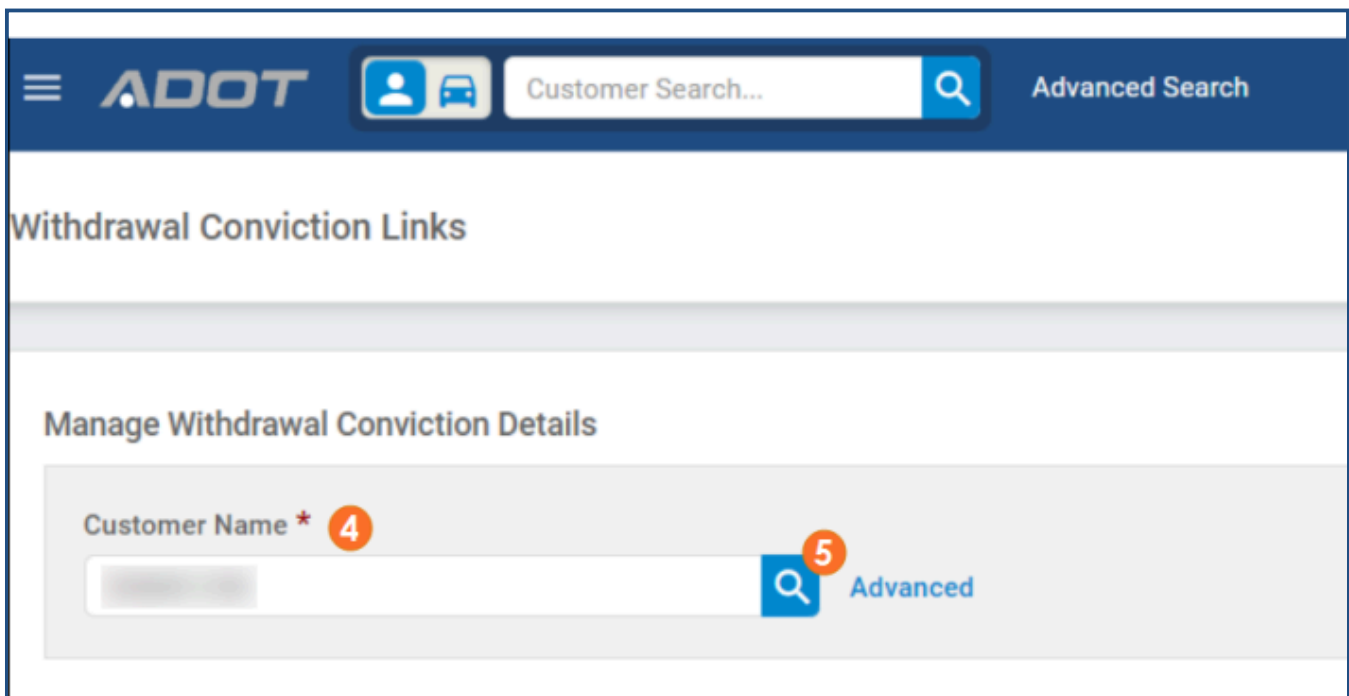

2. Click on **AAMVA/Helpdesk**.
3. Click on **Link Withdrawals to Conviction**.

4. Type in **Customer Name** or **Number**.

5. Click **Search**.

6. The Manage Withdrawal Conviction Details window will populate. Click on the **drop down arrow** under Withdrawals.

- Withdrawals are in chronological order with the oldest at the top and the newest at the bottom

7. Select the **withdrawal you want to update** (in this example it would be 'First refusal to submit to test for alcohol-implied consent law').
