False or Fraudulent Application

When it is determined that a person falsely or fraudulently applied for an original or duplicate driver license, identification license or permit, the Division shall cancel the license or permit and suspend the person's driving privilege for a period of six months from the date of cancellation. A second or subsequent offense will result in a one-year suspension.

For customers who are registering to vote, certifying that he or she is eligible to vote and that submitting a false voter registration is a felony.

The Office of the Inspector General was established by an Executive Order in 2004 to evaluate and investigate fraud, abuse and misconduct within ADOT programs.
