Fraudulent Document Recognition (FDR) Reference

The below information is designed to be used as a quick reference guide for examining documents **AFTER** you have completed the 16 Online FDR modules.

When inspecting documents, knowing what an authentic document looks like and in some cases, feels like, will assist in comparing the printing and material quality.

When inspecting documents, look at the printing quality (**C.F.A.C.S.**) and material quality (**C.T.W.T.F.S.**).

Printing Quality	Material Quality
Consistency	Consistency
Fonts	Texture
Alignment	Weight
Clarity	Thickness
Styling	Flexibility
	Size
