Mobile Home Overview

Mobile Home Unit Backlog - The Mobile Home Unit will be working their backlog of titles that are missing documentation post mobile homes in MAX. For these records the Mobile Home Unit may contact the CSR.

Mobile Home Background

Mobile homes (MH) can be used as a single-family dwelling or used for commercial purposes with or without a permanent foundation. A mobile home is a structure consisting of one or more transportable sections including the following:

- Plumbing
- Heating
- Air conditioning
- Electrical systems

When the mobile home is assembled on site it must be **greater** than eight feet wide, and **at least** 32 feet (8x32) in length and is built on a permanent chassis.

A mobile home may be titled as a travel trailer when it is used for recreational, camping, or travel use. For additional information on how to title a mobile home as a travel trailer and vice versa see the Mobile Home Miscellaneous topic or see the policy [8.10.10 Trailer Title and Registration](#) for more information.
