Add Vehicle(s) to IRP Fleet

When a carrier has established their IRP and/or IFTA account, they can add vehicles to their IRP fleet at anytime during the registration year. Mileage information provided on the original application or in the last renewal will be used to calculate the fees due.

Required Documentation for IRP

- T&R Application (if title work is being done, or for vehicles with out of state registration or titling (ARO))
- [FRP Apportioned Registration Application, form #70-0502](#)
 - The Transaction Type on the first box of the application will need to have an 'A,' which indicates the carrier wants to Add the vehicle to the fleet (must complete items 1 through 15, and 20)
- [IRP Lease Agreement Certificate, form #70-0904](#)
