## **MAX Reports Listing**

Prior to making a request for new report, please check this listing to see if there is an existing report that will provide the information you need.

If the report you need doesn't exist (or you need to make a change to an existing report), you will need to complete a [Report Request Form](#). Be sure to follow the directions outlined on the Instruction tab.

| Report Name                                 | Keywords                                     | Report Description                                                                                                                                                                     | Report Menu Item                      | Report Type | Export Type       |
|---------------------------------------------|----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|-------------|-------------------|
| Insurance Companies' Last Reported Activity | Insurance;<br>Insurance Company;<br>Activity | Displays a list of Insurance Companies and the date of last reporting. Can be filtered by Insurance Company Name, ADOT Code, NAIC Code, Last reported date and Reported Activity Type. | Report Dashboard->Misc                | MAX-PBI     | PDF               |
| Abandoned Vehicle Fees and Distribution     | Abandoned;<br>Vehicle                        | Lists Abandoned Vehicle Fees Due and the Company that towed the vehicle.
