

You are here: Title & Registration Services > TRPs > Cancel TRP

Cancel TRP

When a Recreate TRP service was completed in error, or if the interface with the Service Arizona Dealer Suite failed when a Dealer canceled the TRP, you will use a **Cancel TRP** service.

The only Business Units that have access to the **Cancel TRP** service are AADA and the Dealer Licensing Unit.

If you are not in these Business Units and need a TRP canceled, you must submit a MAX Support Form and include the following:

- Customer #
- VIN
- TRP Number
- Plate Number (for trade-in vehicle, if applicable)
- Request a Cancel TRP service, and indicate a Cancel reason.

For more information regarding TRPs and Credit Accounts in MAX, see [Processing TRPs and Registration Credits on Dealer Sales](#).

Canceling a Permit

1. From the Services menu, *select* **Cancel TRP**.
2. *Search* for the **Customer** related to this service.
3. *Click* the **Select** icon next to the TRP you need to cancel.
