De-Insure

A vehicle owner or lessee who does not operate a vehicle on a state highway in this state, is not required to meet the financial responsibility (insurance) requirements. The owner must submit a [De-Insured Certificate, form #46-0602](#), stating the vehicle is not operational, will be placed in storage, or will not be operated on a highway in this state.

The De-Insured Certificate is only valid until the vehicle's expiration date, or after one year, whichever is less.

Registration credit will not be given when a motor vehicle is being de-insured.

An owner or lessee convicted of a financial responsibility violation is not eligible to submit a de-insured certification for a one-year period, from the date of conviction.

Vehicles with a MI Withdrawal are not eligible for a [30-Day General Use Permit](#) or [90-Day Resident Registration](#).
