Mandatory Insurance Actions

Insurers who issue, cancel or become aware of a cancellation, non-renewal of or failure to renew a motor vehicle liability insurance policy issued on a motor vehicle in this state will notify the Division. Once notified, it becomes a Mandatory Insurance action and can lead to a Mandatory Insurance (MI) Withdrawal. The MI Withdrawal will show in the withdrawal description as 'Financial responsibility - no insurance' on the Vehicle Information Page.

Proof of insurance must be submitted electronically by the insurance company before the registration is eligible to be reinstated.

A valid MI Withdrawal will not prevent the owner of a motor vehicle selling the motor vehicle to another person or prevent the transferee from registering the motor vehicle, view [Vehicle is Sold with MI Withdrawal](#) section for more information.

A MI Withdrawal must be cleared before the following services can be performed on the vehicle:

- Duplicate registration
- Registration renewal
- Lost plate or tab
- Use of registration credit

A 3-Day Restricted Use Permit may be issued when there is a MI Withdrawal.

- ▶ **Cancellation, Non-Renewal or Failure to Renew an Insurance Policy**
- ▶ **Suspending the Registration and License Plates**
- ▶ **Reinstating the Registration and License Plates**
- ▶ **Vehicle is Sold with MI Withdrawal**
