30-Day Non-Resident OHV Permit

The Nonresident Off-Highway Vehicle (OHV) 30 day permit is issued only to nonresidents of Arizona with a qualifying OHV. This permit is available as not all states offer registration to off-highway vehicles and Arizona requires registration (including decals or permits) to operate the vehicle in this state.

- Arizona residents are not eligible for this permit
- Must have a Non-Resident OHV decal issued from the Game & Fish (G&F) Department prior to applying for the permit
- Permit may be purchased in field or ATP offices, or through the Contact Center
- Only vehicles listed with a Vehicle Types as 'All Terrain Vehicle' or 'Golf Cart' in MAX qualify for the permit
 - For more information, see the [Qualifying OHVs](#) section
- Permit is valid for 30 calendar days
- No limit to the number of permits that can be acquired within a 12 month period
- A new permit can only be issued after the current permit has expired
- Small size permit (size of small trailer plate)
- Cost is \$15.00

The non-resident has to certify that:

- Their OHV is titled in another state
- They have a non-resident OHV decal from Game & Fish (G&F)
- Their OHV meets the definition of a qualified OHV

Certification will be completed when the customer signs the Affidavit for 30 Day Non-Resident OHV Permit (printed after the permit has been issued in MAX).

Qualifying OHVs

The OHV must have all of the following:

- Is designed primarily for recreational non-highway all-terrain travel
- Is not more than 80 inches in width
- Has an unladen weight of not more than 2,500 lbs.

- Travels on four or more non-highway tires
- Has a steering wheel for steering control
- Has a rollover protective structure
- Has an occupant retention system (safety restraints; e.g., seat belts, rollover protection structure)

Essentially, qualifying OHVs are a side-by-side OHV, has four wheels, and can't have handle bars for steering.
