Cancel Permit

When a permit was issued in error (e.g., 3-Day was issued and customer really needs a 30-Day), the Cancel Permit service will be used.

If a Temporary Registration Plate/Permit (TRP) needs to be canceled, you will NOT use the **Cancel Permit** service!

Dealers will cancel the TRP in the Dealer Suite of Service Arizona. In the rare instance where a TRP needs to be canceled by MVD, please have an upline approver submit a [Service Portal](#) ticket, including the customer #, VIN, and TRP #, and request a **Cancel TRP** service.

Permits that can be Canceled

- 3-Day Restricted Use Permit
- 30-Day General Use Permit
- 90-Day Resident Registration
- 90-Day Non-Resident (Drive-Out) Permit

When a supervisor approves additional permits, more than statute allows, it will be an override during issuance of a permit. The Cancel Permit service will **NOT** be used.
