The Permanent Disability Placard is issued to an individual with a permanent physical disability or to an organization (profit or nonprofit) that owns or leases a motor vehicle that primarily transports persons with physical disabilities. View the [Placards Overview](#) for more information on placards.

This placard is valid for as long as the person to whom it is issued qualifies for the issuance.

For **individuals**, up to three Permanent Disability Placards may be issued if the Division determines the applicant's request demonstrates why the placards are required.

For **nonprofit organizations**, that provide assistance to senior citizens, may be issued up to three Permanent Disability Placards and shall maintain record on each volunteer who used placards to transport persons with temporary or permanent physical disabilities (trusts do not qualify).

Permanent placards are two-sided and blue/white.
