Placards Overview

A Disability placard can be issued by the Division to an **individual** who has a permanent or temporary physical disability or is deaf/hard of hearing and has been determined eligible by a healthcare professional. A completed [Disability-Deaf/Hard of Hearing Plate/Placard Application - Individual, form #96-0104](#) will be required.

If a Medical Doctor (MD) or Physician Assistant (PA) license number is missing on the disability application, you may look up the license number on the [Arizona Medical Board website](#). To look up a license number of a Physical Therapist (PT) visit [Arizona State Board of Physical Therapy website](#).

See the [Disability Plate & Placard FAQs](#) topic for additional information on disability applications.

A Disability placard can be issued by the Division to an **organization** that uses a vehicle primarily to transport persons with one or more of the conditions listed on the [Organization Disability - Plate/Placard Application, form #96-0104B](#) (trusts do not qualify).

Based on the application, a permanent or temporary placard may be issued. Disability or Deaf/Hard of Hearing plates may be issued as well for individuals with permanent disabilities or organizations, view the [License Plate Overview](#) topic or the [Personalized and Special Plates](#) topic > [Disability and Deaf/Hard of Hearing](#) section for more information on Disability and Deaf/Hard of Hearing plates.

- There is no charge for a permanent or temporary placard (initial, renewal, or replacement).
- The Permanent or Temporary Disability Placard must be displayed in any vehicle (upon parking) in which the customer is the driver or passenger.

Either application will be scanned and uploaded into MAX and then filed with your data processing paperwork.

The Permanent or Temporary Disability Placard are issued in MAX and recorded on the customer record.
