Duplicate Registration

Pre-Go Live

If a customer had renewed their registration pre-go live to MAX, they will need to contact the field office for a Tab Replacement.

View the [Tab Replacement](#) topic for more information on requirements.

Post-Go Live

A customer may print a duplicate registration from their Customer Account through AZ MVD Now at no charge.

If a customer comes into the office to request a duplicate registration because theirs has been lost, stolen, or destroyed, a CSR will process a Tab Replacement, regardless if the customer needs a tab, and will pay \$5.00.
