Government Registration Only (GRO)

The Division is authorized to issue a Government Registration Only (GRO), without a Certificate of Title, to a vehicle that is being reassigned between federal and/or state government agencies.

A GRO can also be assigned to a government vehicle from another state doing business in Arizona. For example, if a California government vehicle is doing business in Arizona, an Arizona GRO can be requested.

- The vehicle must meet all applicable Arizona registration requirements
- The vehicle must be registered in the name of a federal or state agency or a political subdivision
