Off-Highway Vehicle (OHV) Decal

An OHV decal is required for lawful Arizona off-highway operation on public lands of any all-terrain vehicle (ATV) or off-highway vehicle (OHV) that meets the following criteria:

- Is designed by the manufacturer primarily for travel over unimproved terrain
- Has an unladen weight of 2,500 lbs. or less
- Declared usage of 'Exclusively Off-Highway', 'Primarily Off-Highway' or 'Primarily On-Highway' on the [Off-Highway Vehicle Decal Application, form #96-0572](#), or verbally if **renewing**

See the [OHV Registration Chart](#) and the [Unique Vehicle Guide](#) for more information.

A driver license is required to drive on any maintained road.

Questions pertaining to OHV rules and regulations should be directed to [Arizona Game and Fish](#)

or to local law enforcement.

Exclusively Off-Highway - No Maintained Road Use

- The vehicle will be used off-road at all times, therefore, the vehicle is issued an Off-Road plate and no yearly registration is issued
- No class of driver license is required to operate the vehicle
- The Vehicle Type in MAX is All Terrain Vehicle, All Terrain Cycle or Motorcycle

Primarily Off-Highway - Some Maintained Road Use

- The vehicle will be used mostly off-road, but occasionally used on-road
- Is issued a small-sized Motorcycle plate
- Qualifies for reduced VLT of \$3.00
 - Exempt from the Registration fee
 - Pays the Air Quality Fee and Air Quality Compliance Fee
- Insurance is required
- Applicable class of license is required to operate the vehicle

- The Vehicle Type in MAX is All Terrain Vehicle, All Terrain Cycle or Motorcycle

Primarily On-Highway - Maintained Road Use

- The vehicle will be used mostly on-road, but occasionally used off-road
- Is issued a small-sized Motorcycle plate
- Normal registration fees will apply
- Insurance is required
- Applicable class of license is required to operate the vehicle
- The Vehicle Type in MAX is All Terrain Vehicle, All Terrain Cycle or Motorcycle

When completing a Registration service where the vehicle is Off-Highway, Primarily Off-Highway, Primarily On- Highway, MAX will determine if a new / renewal OHV decal is required and will add it when needed.

This means:

- The Issue OHV Decal check box will automatically be checked
- The appropriate OHV Decal fees will be added to the fees

Off Highway Vehicles (ATV or UTV) Over 2500 lbs Unladen Weight

All Terrain Vehicle with an unladen weight of 2501 or more pounds do not qualify for an OHV decal.

Note: The unladen weight will be taken from the MCO if applicable.

- Current records will retain the established unladen weight unless the customer requests to update it

Customer may elect to either have a title only or register the vehicle for highway use.

For highway use the following applies:

- Must complete a [Highway Use Certificate, form #96-0371](#)
- Is issued a small-sized Motorcycle plate
- Normal registration fees will apply
- Insurance is required
- Applicable class of license is required to operate the vehicle
- The Vehicle Type in MAX is All Terrain Vehicle

In order to prevent future OHV decals being issued, the unladen weight must be entered into the vehicle record.
