

You are here: Title & Registration Services > Print Title

Print Title

Formerly Duplicate Title

Vehicle Title documents are printed via Central Issuance, not at MVD field offices. In the MVD field office you can print an Arizona Title Summary for a customer from the Customer Record.

The Print Title service is the only title service in MAX that triggers the centralized printing of the physical title and mailing to the customer.

Only ATPs have the permission to print a paper title onsite and only for certain services. View the [Dealer Title Transfers](#) topic > [Authorized Third Party \(ATP\) - Printing a Title Over the Counter](#) section for more information on those services.

If a physical title was printed and owner claims non-delivery by the United States Postal Department (e.g., renewed by mail, or AZ MVD Now, etc.), the \$4.00 Title fee can be waived provided the owner has not moved, still maintains the mailing address of record.

The claim of non-delivery must be made 10 days after the issue date, but within 45 days of the issue date to qualify for a no-fee replacement.
