Title Only

Title Only is to transfer ownership of a vehicle without registering the vehicle. The most common reasons for a Title Only is when a dealer is titling the vehicle in their name with the intention of selling it, or when a customer purchases a vehicle in Arizona and intends to take it to another state to title and register it. View the [Title Document Overview](#) topic for more information on a title or view the [Forms Required for T & R](#) topic > Title Transfer (Bill of Sale) section for more information.

A Title Only service is \$4.00 and is subject to Vehicle Use Tax requirements and applicable late title transfer penalty fees.

If the customer is requesting registration after a Title Only has been processed, view the [Title and Registration](#) service.

MAX will recognize the title already exists for the customer and prompt for registration to be completed.

Title Only Qualifications

The Division may issue a title without registration for any of the following reasons:

- The vehicle is being titled in the name of one of the following:
 - New Arizona Licensed Motor Vehicle Dealer

- The vehicle is apportionally registered in any state under the International Registration Plan (IRP)
 - The customer must provide documentation (e.g., Apportioned Registration, Cab Card) that shows the customer's or company's participation in the IRP as evidence that the trailing equipment will be pulled by a vehicle that is apportionally registered, when titling any trailing equipment
 - This includes any trailing equipment that would be pulled by a apportionally registered vehicle in any state under (IRP)
 - If the vehicle never had apportioned registration issued in any state, the customer must contact the Motor Carrier Licensing Unit by email at mvdmcsl@azdot.gov or by phone at 602-712-6775

* An Arizona Driver License / Identification Card along with proof of Arizona residency may be accepted to waive the Level I inspection.

- This option is only allowed for individuals who are taking title in their name and is not applicable for organizations

An Arizona Residency Affidavit, form #40-5143 is NOT an acceptable document for proof of Arizona residency for a Title Only.

Over-the-counter documents such as temp credentials and vehicle permits are not acceptable, view [Arizona Travel DL/ID Documentation Requirements](#) section for more information.

*The Level I Vehicle Inspection is waived for vehicles acquired by an Arizona education institution to be repaired, rebuilt, reconstructed, or dismantled; or for vehicles acquired by an Arizona professional driver training school conducting driver training on a private, closed course.
