Watch Your Car

The Watch Your Car decal program is a free, voluntary program whereby Arizona vehicle owners can enroll their vehicle(s) with the Arizona Automobile Theft Authority. Participants receive decals for their front and rear windows. By displaying the decals, vehicle owners convey to law enforcement that their vehicle is not usually driven between 1:00 AM and 5:00 AM, when the majority of auto thefts occur.

If a police officer witnesses the vehicle in operation between these hours, they have the right to stop the vehicle and verify it is being legally operated by the rightful owner.

By enrolling in the Watch Your Car Program, vehicle owners also authorize law enforcement officials to stop their vehicle at any time during the day or night within one mile of the border, if there is a suspicion the vehicle is being illegally operated.

When the customer elects to transfer ownership of the vehicle, they will be responsible for removing the stickers and informing the Division or the [Arizona Automobile Theft Authority](#) of their cancellation in the program.

Decals and a cancellation form for future use will be mailed to the customer within 2-4 weeks of enrolling.
